4inch to 12inch EZ Valve™ Installation

## Program

- Rent-free lease with the option to purchase AVT's EZ Valve™ Kit which includes the EM Tool (proprietary cutting device and accessories)
- Available for 4-inch to 12-inch standard EZ valves

## Mechanics

- EZ Valve™ Kit "rent-free" and indefinite. Lease remains in effect as long as the customer remains in compliance with its terms
- Six valves to be purchased up front. After 60 days a further six valves must be purchased every six weeks.
- EZ Valve™ Kit to be returned after 90 days of non-compliance with agreement
- Penalties for late return of EM Tool

## Training

- AVT provides an online curriculum followed by a two-day training session (at your location or our Chicago base) to certify proper and safe operation
- Training must be completed to operate the equipment

## Warranty

- AVT warrants that the equipment will be free from defects in materials and workmanship during the lease term

## Option

- Option to purchase at any time during the lease term. This removes the requirement to purchase the agreed number of valves per month.
- Retail EZ Valve™ Kit price of \$60,000 (EM Tool and accessories) reduced by \$1,000 per kit for each full month of lease period that meets the program minimums
- Purchase of consumables from AVT
- Purchase of add-on for special size valves

## Requirements

- Requirement to adhere to AVT's required maintenance program for the EZ Valve™ Kit
- Requirement to keep the EZ Valve™ Kit insured against all risks of theft, loss, damage or destruction
- Requirement not to make, or cause or permit to be made, any improvement, modification, alteration
- Requirement not to disassemble or reverse engineer
- Trained installers only to operate the EM tool
