

**Section 1. Product and Company Identification**

Product Name: Tyfo® VG Dash Coat
Supplier: FyfeFRP LLC | 621 Lockhaven Drive. Houston, TX 77073 | +1 281.590.8491
Emergency Phone Number: 800.424.9300 (CHEMTREC)
+1 703.741.5970 (Outside the US)
Product Description: Mixture
Product Use: For professional use only

Section 2. Hazards Identification**Classification of the substance or mixture**

Skin Corrosion/irritation – Category 2
Sensitization/skin – Category 1
Eye damage/irritation – Category 1
Specific Target Organ Toxicity (Single Exposure) – Category 3
Specific Target Organ Toxicity (Repeated Exposure) – Category 1
Carcinogenicity – Category 1A

Label Elements:**Hazard Statement(s):**

H315 Causes skin irritation
H317 May cause an allergic skin reaction
H318 Causes serious eye damage
H335 May cause respiratory irritation
H372 Causes damage to organs through prolonged or repeated exposure
H350 May cause cancer

Signal Word: Danger**Precautionary Statement(s):**

P201 - Obtain special instructions before use
P202 - Do not handle until all safety precautions have been read and understood
P261 - Avoid breathing vapors
P264 - Wash hands thoroughly after handling
P271 - Use only outdoors or in a well-ventilated area
P272 - Contaminated work clothing must not be allowed out of the workplace
P280 - Wear eye protection, protective clothing, protective gloves
P302+P352 - If on skin: Wash with plenty of water
P304+P340 - If inhaled: Remove person to fresh air and keep comfortable for breathing
P305+P351+P338 - If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing

P308+P313 - If exposed or concerned: Get medical advice/attention
P332+P313 - If skin irritation occurs: Get medical advice/attention
P333+P313 - If skin irritation or rash occurs: Get medical advice/attention
P337+P313 - If eye irritation persists: Get medical advice/attention
P362+P364 - Take off contaminated clothing and wash it before reuse
P363 - Wash contaminated clothing before reuse
P403+P233 - Store in a well-ventilated place. Keep container tightly closed
P405 - Store locked up
P501 - Dispose of contents/container in accordance with local, regional, national and/or international regulation

Section 3. Composition/ Information on Ingredients

Chemical Name	CAS-No	Weight %
Portland Cement	65997-15-1	50 – 75
Vermiculite	1318-00-9	25 – 30
Microcrystalline Silica	14808-60-7	0.5 – 1

Section 4. First Aid Measures

First Aid Measures for Accidental:

General: Call a physician immediately.

Inhalation: Remove person to fresh air and keep comfortable for breathing. Remove the victim into fresh air. Respiratory problems: consult a doctor/medical service.

Ingestion: Rinse mouth with water. Do not induce vomiting. Consult a doctor/medical service if you feel unwell.

Eye contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.

Skin contact: Wash immediately with lots of water. Soap may be used. Do not apply (chemical) neutralizing agents. Take victim to a doctor if irritation persists. Wash skin with plenty of water. Take off contaminated clothing. If skin irritation or rash occurs: Get medical advice/attention.

Most important symptoms/effects, acute and delayed:

Symptoms/injuries after inhalation: May cause respiratory irritation.

Symptoms/injuries after skin contact: Burns. May cause an allergic skin reaction.

Symptoms/injuries after eye contact: Serious damage to eyes.

Symptoms/injuries after ingestion: Burns.

Indication of immediate medical attention and special treatment needed: Treat symptomatically.

Section 5. Fire Fighting Measures

Suitable Extinguishing Media: Water spray. Dry powder. Foam.

Advice for Fire-fighters: Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.

Specific Hazards Arising from the substance or mixture: The product is non-reactive under normal conditions of use, storage and transport.

**Section 6. Accidental Release Measures****Personal Precautions, Protective Equipment, and Emergency Procedures:**

For non-emergency personnel: Ventilate spillage area. Avoid contact with skin and eyes. Do not breathe dust/fume/gas/mist/vapors/spray.

For emergency responders: Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".

Environmental Precautions: Avoid release to the environment.

Methods and Materials for Containment and Cleaning Up: Mechanically recover the product. Notify authorities if product enters sewers or public waters. Dispose of materials or solid residues at an authorized site.

Section 7. Handling and Storage

Precautions for safe handling: Ensure good ventilation of the work station. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Take all necessary technical measures to avoid or minimize the release of the product on the workplace. Limit quantities of product at the minimum necessary for handling and limit the number of exposed workers. Provide local exhaust or general room ventilation. Wear personal protective equipment. Floors, walls and other surfaces in the hazard area must be cleaned regularly. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid contact with skin and eyes.

Hygiene measures: Separate working clothes from town clothes. Launder separately. Wash contaminated clothing before reuse. Contaminated work clothing should not be allowed out of the workplace. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.

Conditions for safe storage including any incompatibilities: Store locked up. Store in a well-ventilated place. Keep container tightly closed. Keep cool.

Section 8. Exposure Controls / Personal Protection**Control Parameters (Exposure Limits):**

Chemical Name	ACGIH- TWA (mg/m ³)	NIOSH REL - TWA (mg/m ³)
Portland cement (65997-15-1)	1 mg/m ³ (Portland cement; USA; Time-weighted average exposure limit 8 h; TLV - Adopted Value; Respirable fraction. The value is for particulate matter containing no asbestos and < 1% crystalline silica) Pulm func; resp symptoms; asthma.	-
Microcrystalline Silica	0.025 mg/m ³ (Silica-Crystalline Quartz; USA; Timewighted average exposure limit 8 h; TLV – Adopted Value; Respirable fraction)	0.05 mg/m ³ respirable dust

Appropriate Engineering Control: Ensure good ventilation of the work station.

Personal Protective Equipment:

Respiratory Protection: If exposure limits are exceeded or irritation is experienced, approved respiratory protection should be worn.

Eye / Face Protection: Safety glasses. Gloves. Insufficient ventilation: wear respiratory protection.

Skin Protection: Wear suitable protective clothing. Protective gloves

Environmental exposure controls: Avoid release to the environment.

Section 9. Physical and Chemical Properties

Physical state:	Solid
Color:	Mixture contains one or more component(s) which have the following colour(s): White to grey White Pure substance: colourless to white-grey Unpurified: yellow to brown Commercial substance: yellow to brown Colourless or white Colourless to white.
Odor:	Odourless
Odor threshold:	No data available
pH:	7 – 9
Melting point:	No data available
Freezing point:	Not applicable
Boiling point:	No data available
Flash point:	Closed cup
Relative evaporation rate (butyl acetate=1):	No data available
Flammability (solid, gas):	Non flammable
Explosion limits:	Not applicable
Explosive properties:	No data available
Oxidizing properties:	No data available
Vapor pressure:	No data available
Relative density:	Not applicable
Relative vapor density at 20 °C:	No data available
Solubility:	Insoluble
Log Pow:	No data available
Auto-ignition temperature:	Not applicable
Decomposition temperature:	No data available
Viscosity:	No data available

Section 10. Stability and Reactivity

Reactivity: The product is non-reactive under normal conditions of use, storage and transport.

Chemical Stability: Stable under normal conditions.

Possibility of Hazardous reactions: No dangerous reactions known under normal conditions of use.

Conditions to Avoid: None under recommended storage and handling conditions (see section 7).

Incompatible Materials / Chemicals: No additional information available.

Hazardous Decomposition Products: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

**Section 11. Toxicological Information****Information on toxicological effects:****Acute toxicity:** Not classified**Skin corrosion/irritation:** Not classified**Serious eye damage/irritation:** Not classified**Respiratory or skin sensitization:** Not classified**Germ cell mutagenicity:** Not classified**Carcinogenicity:** Not classified**Reproductive toxicity:** Not classified**Specific target organ toxicity – single exposure:** Not classified**Specific target organ toxicity – repeated exposure:** Not classified**Aspiration hazard:** Not classified**Section 12. Ecological Information****Ecotoxicity:****Toxicity:**

Portland cement (65997-15-1): > 1000 mg/l (LC50; 96 h)

Persistence and degradability: No (test) data on mobility of the substance available.**Bioaccumulative potential:** No additional information available**Mobility in soil:** No additional information available**Other adverse effects:** No known effects from this product.**Section 13. Disposal Considerations****Waste treatment methods:** Dispose of waste at an appropriate treatment and disposal facility in accordance with applicable laws and regulations, and product characteristics at time of disposal.**Uncleaned packaging:** Do not re-use empty containers for food, clothing, or products for human or animal consumption, or where skin contact can occur. Dispose of container and unused contents in accordance with federal, state, and local regulations.**Section 14. Transport Information****DOT:** Not Regulated**TDG:** Not Regulated**IMDG:** Not Regulated**IATA:** Not Regulated**Section 15. Regulatory Information****Safety, health and environmental regulations/legislation specific for the substance or mixture****Federal Regulations:**

All ingredients are listed on the United States TSCA (Toxic Substances Control Act) inventory

International regulations

Canada: No additional information available

EU-Regulations: No additional information available

National regulations

Quartz (14808-60-7): Listed on IARC (International Agency for Research on Cancer)

US State regulations

Quartz (14808-60-7): U.S. - California - Proposition 65 – Carcinogens - Listed

Section 16. Other Information

Key Legend Information:

CAS: Chemical Abstracts Service
IATA: International Air Transport Association
ICAO: International Civil Aviation Organization
IMDG: International Maritime Dangerous Goods
NIOSH: National Institute for Occupational Safety and Health
OSHA: Occupational Safety and Health Administration

The information contained herein is based on the data available to us and is believed to be accurate. The data is offered in good faith as typical values and not as product specification. The information in this data sheet was compiled from information supplied by the vendors of the components of this compound. Fyfe Co., LLC makes no warranty either expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. The recommended industrial hygiene and safe handling procedures are believed to be genuinely applicable. However, each user should review these recommendations in the specific context of the intended use and determine whether they are appropriate. Fyfe Co., LLC assumes no responsibility for injury from the use of the product described herein. The information is intended only to assist in the safe handling of this material.
