BUILD AMERICA, BUY AMERICA (BABA) CERTIFICATION

To whom it may concern

This letter certifies that the Advanced Valve Technologies (AVT) products meet the provision of the Build America, Buy America (BABA) act under the 'Manufactured Products' definitions of covered products or materials.

*Manufactured products must be manufactured in the United States and the cost of components of a manufactured product that are manufactured in the United States must exceed 55 percent of the cost of all components.

"Manufactured products" means articles, materials, or supplies that have been: "(i) Processed into a specific form and shape; or (ii) Combined with other articles, materials, or supplies to create a product with different properties than the individual articles, materials, or supplies."

If you wish to learn any more about the Build America Buy America act, please visit:
